The Crusade of Vengeance is a Warhammer 40,000 campaign that follows the story of the Crimson Worlds refugees. These refugees are survivors of the destruction of their home planet, Calderis, by the forces of Chaos. The campaign follows their journey as they seek a new home and fight for survival in a galaxy torn apart by war.

The Crimson Worlds refugees are a diverse group of people, from all walks of life. They include soldiers, civilians, and even members of the Adeptus Astartes. They are united by their common goal of finding a new home and rebuilding their lives.

The refugees' journey is a difficult one. They must travel through a galaxy that is filled with danger and uncertainty. They must face the forces of

Chaos, the Tyranids, and the Orks. They must also deal with the prejudice and discrimination of those who do not understand them.

Despite the challenges they face, the refugees are determined to succeed. They are driven by their hope for a better future and their love for their lost home. They will not give up until they have found a new place to call home.

## **The Crimson Worlds**

The Crimson Worlds were once a prosperous and peaceful planet. They were home to a thriving population of humans and Aeldari. The Crimson Worlds were also a major center of trade and commerce.

However, the Crimson Worlds were not to be. In the year 999.M41, the forces of Chaos invaded the Crimson Worlds. The Chaos forces were led by the Daemon Prince Angron. Angron and his followers quickly overwhelmed the defenses of the Crimson Worlds and began to raze the planet.

The Crimson Worlds refugees are the survivors of this invasion. They were able to escape the planet before it was completely destroyed. They now wander the galaxy, seeking a new home.

## **The Crusade of Vengeance**

The Crusade of Vengeance is a military campaign launched by the Imperium of Man in response to the destruction of the Crimson Worlds. The Crusade is led by the Space Marine Chapter known as the Blood Angels.

The Blood Angels are determined to avenge the destruction of the Crimson Worlds and to bring the forces of Chaos to justice. They are joined by a

number of other Imperial forces, including the Astra Militarum, the Adeptus Astartes, and the Adeptus Ministorum.

The Crusade of Vengeance has been a long and bloody campaign. The Imperial forces have fought their way through countless worlds, defeating the forces of Chaos at every turn. However, the Crusade is far from over. The forces of Chaos are still strong, and they will not give up until they have destroyed the Imperium.

## **The Crimson Worlds Refugees in the Crusade of Vengeance**

The Crimson Worlds refugees play a vital role in the Crusade of Vengeance. They provide the Imperial forces with valuable information about the forces of Chaos. They also help to rebuild the worlds that have been liberated from Chaos.

The Crimson Worlds refugees are a symbol of hope for the Imperium. They show that even in the darkest of times, there is always hope for a better future. They are an inspiration to the Imperial forces and to all those who fight against the forces of Chaos.

The Crusade of Vengeance is a story of hope and survival. It is the story of a people who have lost everything, but who refuse to give up. The Crimson Worlds refugees are an inspiration to us all. They show us that even in the darkest of times, there is always hope for a better future.
