Riva Lehrer's memoir, *Golem Girl*, is a powerful and moving account of her relationship with her father, a Holocaust survivor. Lehrer's journey to uncover the truth about her father's past is both heartbreaking and inspiring.

Lehrer's father, Yitzhak, was a survivor of the Auschwitz concentration camp. After the war, he immigrated to the United States and started a new life. However, he never spoke about his experiences during the Holocaust. Lehrer grew up knowing that her father had a dark past, but she didn't know the details.

When Lehrer was in her thirties, her father finally began to open up about his experiences. He told her about the horrors he had witnessed and the loved ones he had lost. Lehrer was devastated by her father's stories, but she was also grateful that he was finally sharing his past with her.

Lehrer's memoir is a powerful reminder of the importance of family and the need to know the truth about our past. It is a story of love, loss, and redemption that will stay with you long after you finish reading it.
