Enter the Marvelous Three: three enigmatic hackers who come to Anya's aid. Led by the brilliant and charming hacker known as Zephyr, the Marvelous Three are determined to protect Anya and uncover the truth behind her father's murder.

As Anya and the Marvelous Three work together to unravel the secrets of her past, they soon discover that they're up against a powerful and ruthless

organization known as the Syndicate. The Syndicate is determined to stop Anya from learning the truth, and they'll stop at nothing to eliminate her and her protectors.

With their backs against the wall, Anya and the Marvelous Three must fight for their lives. But as they face off against the Syndicate, they also discover that they have feelings for each other. And as the lines between love and danger blur, they must find a way to protect their hearts while also saving the world.
