Tips for Making the Perfect Raiders of the Lost Shaker of Salt

Here are a few tips for making the perfect Raiders of the Lost Shaker of Salt:

- Use a high-quality gin. The gin you use will have a big impact on the flavor of the drink, so it is important to use a good one. Some good gins to use include Tanqueray, Bombay Sapphire, and Hendricks.
- Use fresh lime juice. Fresh lime juice will give the drink a brighter flavor than bottled lime juice. If you don't have fresh lime juice, you can use bottled lime juice, but it will not be as good.
- Use simple syrup. Simple syrup is a sweetener that is made by combining equal parts sugar and water. It is a good way to sweeten the drink without adding any additional calories. If you don't have simple syrup, you can use granulated sugar, but it will not dissolve as easily.
- Use grenadine. Grenadine is a pomegranate syrup that adds a touch of sweetness and color to the drink. If you don't have grenadine, you

can use another type of fruit syrup, such as cranberry syrup or raspberry syrup.

- Salt the rim of the glass. Salting the rim of the glass will give the drink a salty flavor that complements the sweetness of the drink. If you don't want to salt the rim of the glass, you can skip this step.

The Raiders of the Lost Shaker of Salt is a classic cocktail that is easy to make and delicious to drink. It is a perfect cocktail for any occasion, whether you are having a party or just relaxing at home.
